

Christmas in August 2019

Every year at the Yellowstone Airport a celebration known as “Christmas in August” is held. This event stems from the original “Christmas in August” event inside Yellowstone National Park. On August 24, 1925 at Fishing Bridge in Yellowstone National Park, it snowed on the tourists! The tourists and park staff decided to have an impromptu Christmas celebration the next day on August 25th. They enjoyed food and exchanged a few small gifts, so “Christmas in August” was born!

Yellowstone Airport continues this tradition and has done so for more than 20 years! The celebration for the airport is very fitting being that the airport is closed during the winter months and unable to observe the holiday season.

On August 26, 2019 the celebration with the airport team was had. A potluck with various delicious foods and treats were shared amongst friends and families. Great conversations and the expressions of appreciation to one another for another great season were exchanged.
